## EXPERIENCE

---

**(Contract) Next.js Developer - HP Thailand** (November 2023 - Mar 2024, Thailand)

- Handled gift redemption for 1,144 event participants with a NextJS web application, contributing to the company's closure of approximately \$1.83 million in laptop sales.

**Next.js & React Native Developer - Spuun** (May 2022 - Mar 2024, Thailand)

- Saved 80% of development cost by initiating the migration of server, database, and web hosting platforms.
- Generated an additional monthly revenue stream of ฿400,000 (~11,000 USD) through online food orders.
- Achieved a 26% increase in profit margin by transitioning from third-party food delivery platforms to our own in-house food delivery app.

**React Developer - Innoloft GmbH** (October 2020 - April 2022, Germany)

- Drove a significant increase in monthly active users on our B2B platform, scaling from 5,000 to over 10,000 through the continuous delivery of requested features.
- Saved our company up to 54,000 EUR annually by advocating for the recruitment of international remote developers over local hires.
- 3x our company's LinkedIn followers count after emphasizing the importance of social media content creation to our Chief Marketing Officer.

**(Freelance) Frontend Developer - Upwork** (April 2020 - November 2020, Malaysia)

- Saved up to 30 hours of time and hundreds of paper documents each month for a skincare shop owner by digitizing their customer agreement form.
- Generated 3 ETH (approximately \$6,500) in sales for an NFT seller by designing and developing an appealing Web 3.0 landing page.
